Central Region

Date: 04/11/2022
Person Contacted: Witness Statements
NTSB Accident Number: CEN20LA309

Narrative: The following notes and witness statements were taken by C. Liedler:

Witness #1

Renae Bigge

- Walking eastbound on 273rd street then turned around to go back home (westbound).
- Heard a loud pop and saw the airplane go straight down.

Witness #2

Zita Bialas

- 9:25am did not see the crash but heard it.
- Observed the plane flying and went out to see what field was being sprayed and went back inside.
- She last observed the airplane heading west.
- Heard a loud pop from inside the house and thought something was wrong.

Witness #3

Scott Hohn

- Located in a field 1/8 mile to the south of the crash site.
- Was watching the pilot all morning on and off while cutting hay on his tractor.
- He looked up and saw the airplane turn around. One wing of which he was unsure was too low.
- Saw the airplane go straight down into the bean field.
- He stopped the tractor to see if he could see smoke but did not.
- No smell of fuel or chemical when approaching the crash site

End of conversation.
