

RECORD OF CONVERSATION

John M. Brannen II
Senior Air Safety Investigator
Central Region

Date: June 9, 2022
Person Contacted: Dave Zwicker (East Michigan FSDO Inspector)
NTSB Accident Number: CEN20LA372

Narrative:

Mr. Zwicker confirmed that he had examined N698D, A Cessna 414, that was involved in an accident on 8/30/202, in Ray, Michigan. He said that he was present for the on-scene examination as well as the examination of the airplane after it was removed from the site. During both examinations, he and another FSDO Inspector were not able to find any preimpact discrepancies related to the airplane or its systems.
