Incident Narratives

Title: Original Narrative

Author: Jacob Gibson

Date / Time: 09/20/2020 17:11 Hrs Supp #: 0

On September 20, 2020 at approximately 10:59 a.m., I was dispatched to the area of [REDACTED] (Kokomo, IN) in reference to a plane crash. Howard County Sheriff Office Communications stated the plane had crashed in a cornfield just east of the previous location. The address is or near the Glenndale Airport.

While responding to the accident, I could see a large cloud of black smoke near the area of the dispatch. Upon arrival, I observed a group of people tending to a male subject who was laying on an ATV. Deputy Matthew Roberson [REDACTED] had arrived on scene prior to me and was requesting the crash site be secured. Since other fire department personnel along with Corporal Paul Cherry [REDACTED] had arrived on scene, I stayed with the victim that was on the ATV.

The victim, Cameron J. Wagler [REDACTED] was alert and conscious. Another gentleman was holding his head due to a large cut. I began speaking to Cameron while trying to help stop the bleeding. Cameron stated he was in the aircraft as it crashed but was able to make it out alive. He went onto say, there were three other occupants in the plane. A total of four people were aboard during the flight. Cameron stated he was seated in the rear of the plane on the right side. Cameron could not remember what all happened but could tell me his address, phone number and pertinent information. Cameron had been burned on the right arm, bleeding from the head and complaining of his back hurting. Cameron was transported to Community Howard Hospital via ambulance.

While assisting at the crash site, I began speaking to witnesses that observed the plane crash. Please note, there were several people in and around the airport for a fundraising event called the Glenndale days. This event allows people to pay money and fly in a small general aviation aircraft.

The first witness I spoke with was Randy Wilson [REDACTED] who resides at [REDACTED]. Randy was mowing his lawn and saw the aircraft coming in for a landing. Randy heard a loud crash and when he looked up, he noticed the aircraft's landing gear hit a pole that was affixed to the top of a large utility pole just north of the runway. The plane nosed dived into a cornfield. Randy then saw a large fireball shortly after. Randy was able to make his way to the crash site to help search for survivors.

The second eye witness I had spoken to was Zachary Funk [REDACTED]. Zachary stated he

was taxiing on the grass runway waiting for the aircraft in question to land so he could take off. While watching the aircraft come in for the landing, he observed it strike the pole that was mentioned above with its landing gear thus causing the plane to nose dive to the ground, crash and catch fire. Zachary could not tell if the plane was having any mechanical issues or not.

Once I spoke with the witnesses, another gentleman drove me to the office area to make contact with Steve Stants who is the president of the Glendale Airport. Steve stated the pilot was Jerral Long [REDACTED]. Steve mentioned Jerral was a very seasoned pilot. I asked Steve about the pole that was affixed to the top of the power lines. Steve advised the pole has been there for a very long time and is approximately 79 feet above the ground. Steve went on to say a group of teenagers were flying with Jerral. The teens belong to a club called the "Flying Squirrels". They were assisting at the event that was taking place today but wanted to fly prior to the event starting. Steve indicated the teens on board were Liam Kelly ([REDACTED]), Reece Kelly ([REDACTED]), Cameron Wagler. Steve also provided me with the tail number of aircraft (N8213X). After speaking with Steve, I returned back to the crash scene and spoke with Howard County Coroner Dr. Steve Seele. Dr. Seele asked if I would go to the hospital where Cameron was transported to gather a blood draw per the Federal Air

Administration. Dr. Seele did indicate the other three occupants in the aircraft had perished.

A short time later, I arrived at the hospital right before Cameron was flown to Indianapolis. I was able to speak with Cameron again about the accident. Cameron advised he was in the back on the right side. I asked him if anyone else was flying the plane at the time of landing. Cameron advised "no" and stated "Jerral just came into low and hit the pole". He also advised there were no mechanical issues going on during the flight or landing. Cameron was transported to Indianapolis via helicopter. I was unable to get a blood draw from Cameron prior to him being transported.

At this time, this case has been directed to the Federal Aviation Administration along with the Howard County Coroner's Office. I have listed the aircraft information below.

N8213X
1980 Piper
Fixed Wing Single Engine
Model: PA-32-301
Serial: 32-8006051

Registered to:
Glenn Dale LLC
[REDACTED]
Kokomo, IN 46904

I, Deputy Jacob T. Gibson PE # [REDACTED] of the Howard County Sheriff Department, under the pains and penalties of perjury, as specified under Indiana Code 35-44-2-1 swear and affirm that the above and foregoing representations are true.

Jacob T. Gibson

Signed: Deputy J. Gibson ([REDACTED])	Reviewed By: Sergeant J. Markley ([REDACTED])

Title: Supplement #1 Narrative

Author: Joshua Fulkerson

Date / Time: 09/21/2020 10:48 Hrs

Supp #: 1

On September 20, 2020 at approximately 10:59hrs, I Marshal Joshua Fulkerson of the Russiaville Police Department heard a dispatch come out of an airplane down at the Glendale airport [REDACTED]. At the time I just completed assisting the Kokomo Police Department with directing traffic at [REDACTED] and [REDACTED] due to a car accident. I advised dispatch I was on the way and as soon I turned westbound on [REDACTED] I could see black smoke coming from the area of [REDACTED].

Myself and another deputy arrived on scene at Glendale Airport at the same time. Back smoke was pouring from the corn field where the plane has crashed. As soon as I parked my car, I got out of my car and ran through many corn rows, following the smoke. Once I arrived at the crash site, I could see that the plane was engulfed in flames and was too hot to attempt to check for survivors within the wreckage.

A man named Charlie Teichma (lives at [REDACTED]) and myself began a grid search through the field. As I walked through row after row I kept coming across pieces of the aircraft. After checking a vast majority of the cornfield for survivors, I returned to the crash site, where firefighter personnel has extinguished the fire. I seen that there were at least two deceased persons in the wreckage, the third I could not see at the time. However, I was told to stop searching and that the three remaining passengers were accounted for.

The area was roped off with crime scene tape and the Howard County Coroner Dr. Seele arrived. Dr. Seele stated that the Federal Aviation Administration (FAA) would be sending an investigator. Law enforcement personnel would secure the scene until the FAA investigator arrived. At that time we were able to leave scene.

While at the scene, some individuals walked up and I intercepted. One of them was Faron Zell (lives at [REDACTED]). Zell stated that he farms the corn in which the plane crashed.

Charlie Teichma stated that he volunteers at the airport. He did not see the plane crash, however he heard the plane hit the ground and saw smoke and knew what happened. Teichma then stated that he just ran to the area to help as much as he could.

I then spoke with Glenn Antoine (lives at [REDACTED]). Antoine stated that he knew the pilot Jerry Long. His back was to the incident, but he said he heard the crash, and then drove his golf cart to the scene. Him and another individual found the survivor at the site and took him out. As they were leaving, he stated he heard a "boom" and when they returned, the plane was engulfed in flames.

I, Marshal Joshua Fulkerson, Badge# [REDACTED] of the Russiaville Police Department, affirm under the pains and penalties of perjury, as specified under I.C. Code 35-44-2-1 that the above and foregoing representations are true.

Signed: Marshal J. Fulkerson ([REDACTED])

Author: Jordan Buckley

Date / Time: 09/22/2020 15:30 Hrs Supp #: 2

On September 22, 2020 at approximately 8:00 AM, I received a copy of the crime scene log that was completed by members of the Howard County Emergency Management Agency. A scanned copy was uploaded and attached to this case report (EMA Crime Scene Log.pdf). The original four pages were placed into the case file folder that is secured within the records division.

I, Captain J. Buckley, PE # ██████████ of the Howard County Sheriff Department, under the pains and penalties of perjury, as specified under Indiana Code 35-44-2-1 affirm that the above and foregoing representations are true.
