Subject: Pipeline Location Screenshot

[CAUTION] This email originated from outside of the organization. Do not click any links or open attachments unless you recognize the sender and know the content is safe.

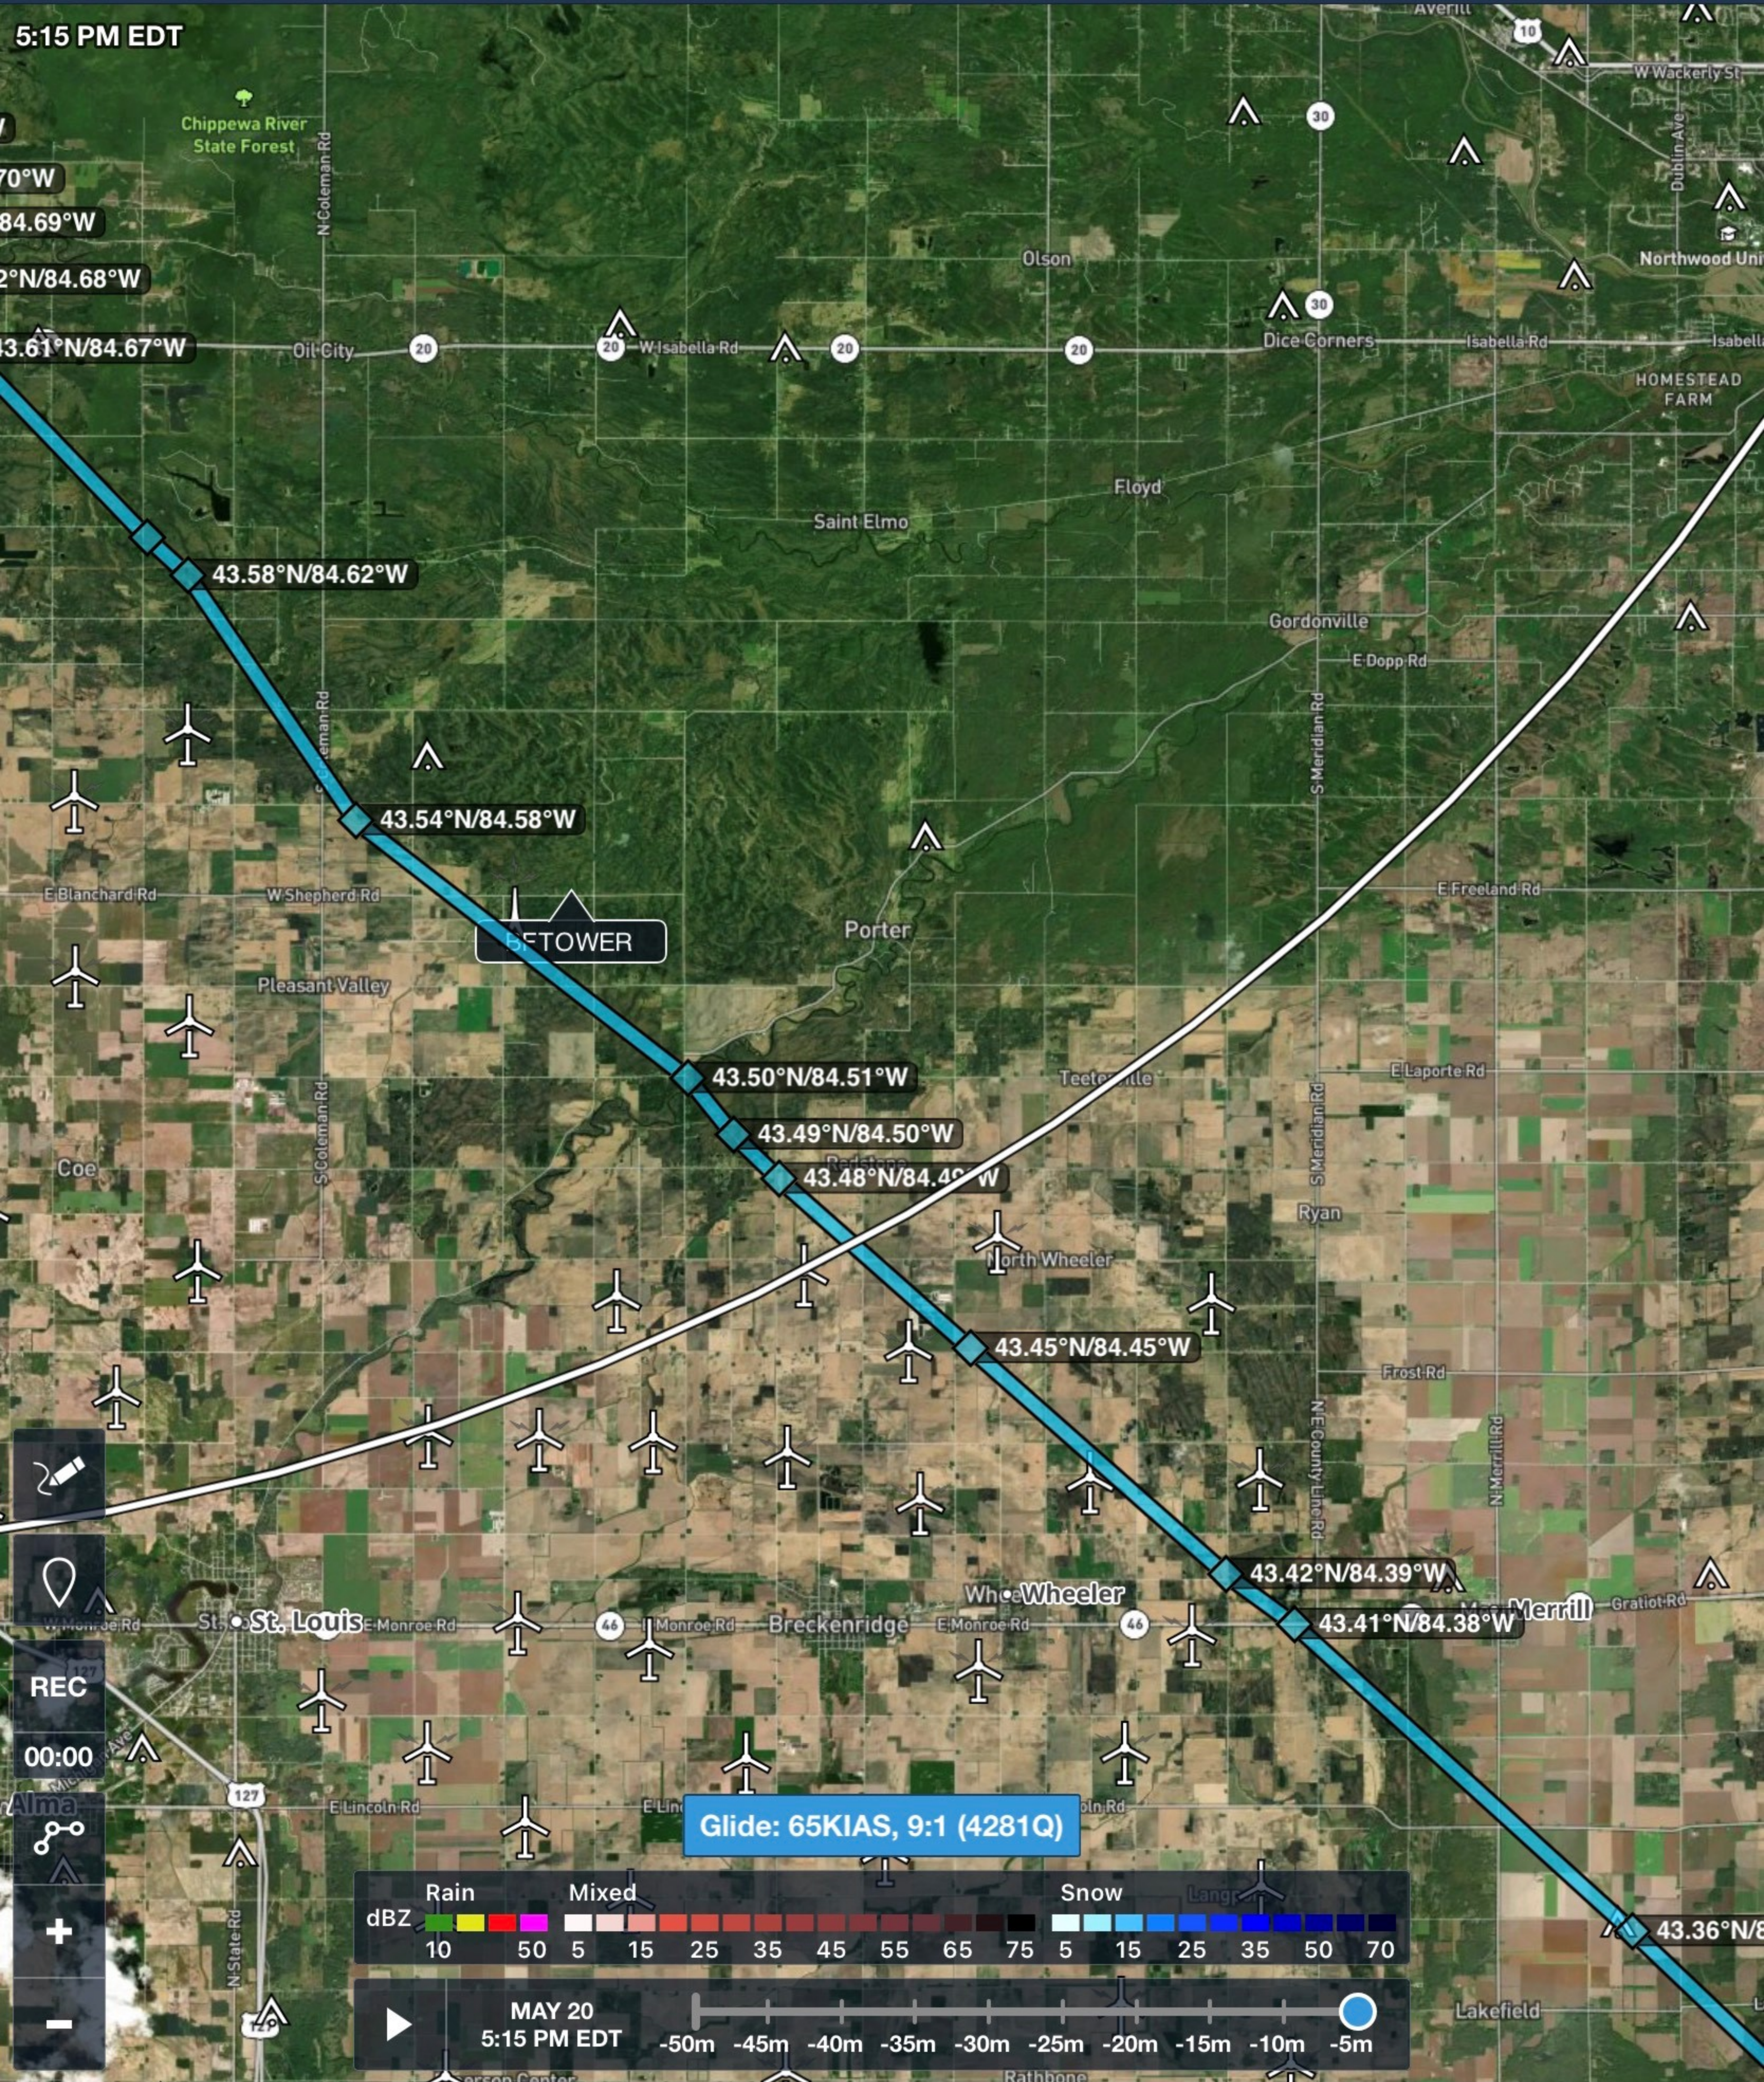

Hello,

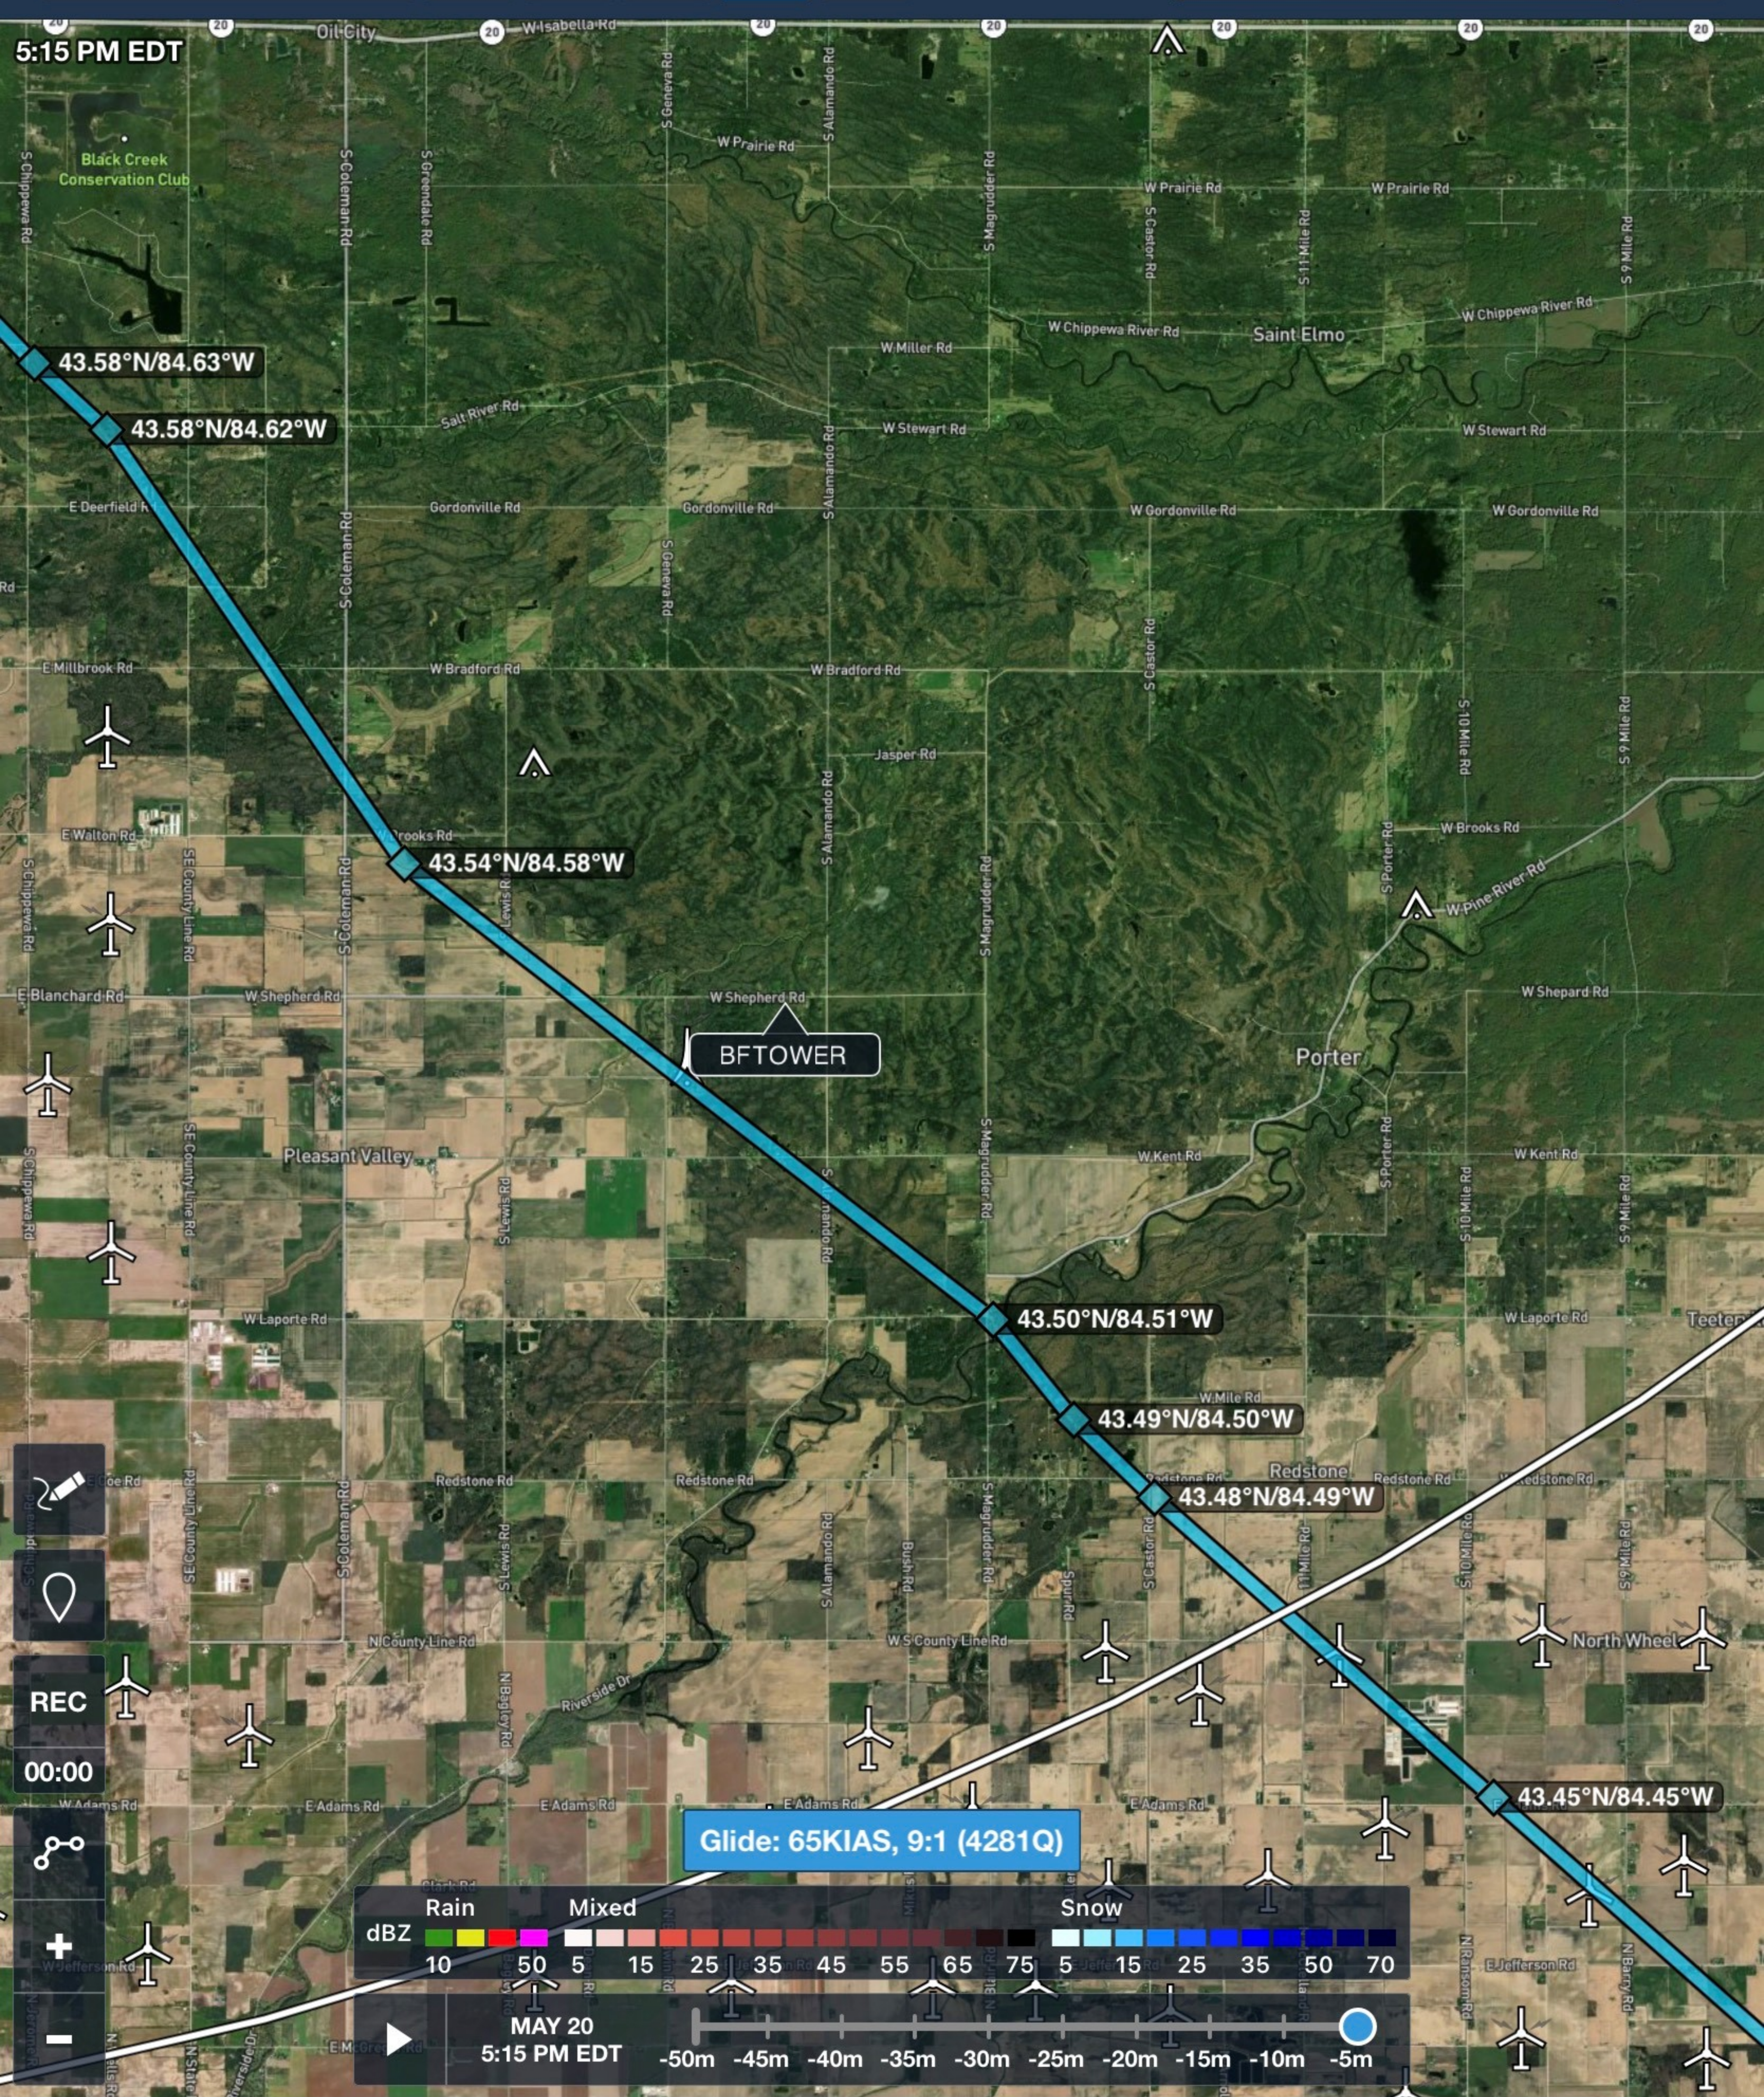

Here are a few different screenshots of the pipeline at different zoom levels. This line is the actual gps location of the pipeline. We fly right of the line on this route to see the line on the ground.

I will send over 3 shots, but may have to send a few emails based on the attachment size restrictions.

Thank you,

Gary Todd
Pilot
