| Q: DID YOU WITNESS THE CRASH?                                                                                                                                                                                                                                                                                           |                                         |
| A: YES                                                                                                                                                                                                                                                                                                                  |                                         |
| Q: CAN YOU DESCRIBE WHAT HAPPENED?                                                                                                                                                                                                                                                                                      |                                         |
| A: I WAS BACK BEHIND MY HOUSE ON THE HILL AT MY<br>SISTER'S HOUSE. WE HEARD A LOUD NOISE LIKE THUNDER,<br>WE THEN ACTUALLY HEARD THE PLANE ENGINE, THEN A LOUD<br>BANG. THAT'S WHEN WE SAW THE PLANE SPIRALING<br>STRAIGHT DOWN. THEN WE HEARD IT HIT THE GROUND<br>AND PROBABLY THREE OR FOUR EXPLOSIONS AFTER IT HIT. |                                         |
| Q: ABOUT HOW HIGH WAS IT WHEN YOU FIRST SEEN IT?                                                                                                                                                                                                                                                                        |                                         |
| A: IT LOOKED LIKE IT CAME OUT OF THE CLOUDS COMING<br>STRAIGHT DOWN.                                                                                                                                                                                                                                                    |                                         |
| Q: DID YOU SEE WHAT COLOR IT WAS?                                                                                                                                                                                                                                                                                       |                                         |
| A: FROM HERE IT WAS A DARK COLOR AND ODD SHAPED.                                                                                                                                                                                                                                                                        |                                         |
| Q: DID YOU SEE ANY SMOKE OR FLAMES FROM THE PLANE?                                                                                                                                                                                                                                                                      |                                         |
| A: NO                                                                                                                                                                                                                                                                                                                   |                                         |
| Q: COULD YOU TELL WHAT WAS WRONG WITH IT BY LOOKING?                                                                                                                                                                                                                                                                    |                                         |
| A: IT MAY HAVE BEEN MISSING A WING IT WAS HARD TO TELL.                                                                                                                                                                                                                                                                 |                                         |
| Q: DID YOU REPORT THE CRASH?                                                                                                                                                                                                                                                                                            |                                         |
| A: MY SISTER DID. (GRETCHEN CAYTON)                                                                                                                                                                                                                                                                                     |                                         |
