

7-25-2021

7:50AM. I witnessed 336BG initiate a take off roll in Scott, MS. The aircraft yawed slightly, tail up, impacted a ditch bank, went inverted and impacted the ground. Upon checking on the pilot I found he was fatally injured in the crash.

Brackston Hunt

A black rectangular redaction box covering a handwritten signature. The signature appears to be "Brackston Hunt" in cursive script.
