Samantha Link
Aviation Accident Investigator
Central Region

Date: August 24, 2021
Person Contacted: Ms. Sandra Smith (Wife of Pilot)
NTSB Accident Number: CEN21FA380

Narrative:

Ms. Smith reported that the pilot has been flying since he was 16 years old. He flies often and takes off from their private grass runway. It was common for her to not know where he was going or when to expect him home.

When asked, she was unaware of maintenance logbooks or where they would be located. She mentioned that the pilot and a friend maintained the airplane.

END.
