NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

900 am Departed OOC (Animas airport) to KDRO for touch and go practice. On the third landing the right main tire blew out causing the trike to veer hard to the right. I tried to straighten to runway center and the trike tipped on its Right side. The right axle broke and the propeller struck the runway. The ~~carriage~~ carriage was undamaged. I was unharmed and called 911 when airport operations did not immediately respond to radio call on 122.8. My push to talk button may not have been working. At was at the time was wind variable Light and variable. Intended destination was OOC (Animas airport)
