Meredith,

Thank you for emailing the last 3 fuel receipts for the Vans RV4, registration number N87LW, at Telluride Regional Airport (TEX).

The pilot, Mr. Bryan L. Kill, only used the self-service fuel pump at TEX.

The last fueling, completed about 1102 MST on 11/26/2020, was for 23.87 gallons.

I concur that the Vans RV4 has a total fuel capacity of 32 gallons.

Sincerely,
Andrew Todd Fox
