History of Flight
Date: December 21, 2020
NTSB Accident Number: CEN21LA096

Narrative:

The Grand Prairie Municipal Airport (GPM), Grand Prairie, Texas, ground controller instructed N722BM to taxi to runway 17. N772BM requested flight following to the Denton Enterprise Airport, Denton, Texas at 3,500 feet. The local control (LC) controller cleared N772BM for takeoff on Runway 17. N772BM requested a right turn, which was approved by the LC controller. The LC controller observed N772BM on the Tower Display Workstation and noticed that the airplane was headed for Arlington Municipal Airport (GKY), Arlington, Texas, airspace. The LC controller instructed N772BM to keep the turn tight to remain outside of GKY's airspace and to contact departure; however, there was no response.
