Voluntary Statement - (Not under arrest)

THE STATE OF TEXAS }

COUNTY OF WALLER }

Before me, The undersigned authority in and for said County and State, on this the 26 day of January, 2021, personally appeared Eddy Wayne Machala, who, after being by me duly sworn, deposes and says:

The plane was taking off and the engine died on take off. The pilot pulled back and to the left and got it across the road and into the field. Where the nose of the plane hit the ground and spun around 180 and came to rest. I ran and opened the door and we got mike out of the plane and layed down on the grass.

Subscribed and sworn to before me, the undersigned authority, on this the 26th day of January, 2021.

Before me, The undersigned authority in and for said County and State, on this the 26th day of JANUARY, 20 21, personally appeared DARYL ROSINBAUM, who, after being by me duly sworn, deposes and says:

I'm A PILOT OUT HERE @ SKYDIVE HOUSTON AIRPORT AND I LANDED ABOUT 15 MIN PRIOR TO THE ACCIDENT AIRCRAFT HAD DEPARTED. I CAN ONLY ATTEST TO THE INITIAL TAKEOFF OF THE EVENT BECAUSE I HAD ALREADY PARKED MY PLANE IN MY HANGAR, SO I ONLY CAN DESCRIBE WHAT I HEARD AND INITIALLY SAW. I SAW THE TAKEOFF ON RUNWAY 35 (TO THE NORTH) AND HEARD THE ENGINE SOUND. IT SOUNDED NORMAL FOR THE FIRST MINUTE OR SO AND ALSO OBSERVED THAT THE AIRCRAFT WAS STILL AT A LOW ALTITUDE DURING THE CLIMBOUT (BUT NOT NECESSARILY ABNORMAL) BUT AS I LOST SIGHT OF HIM, I HEARD THE ENGINE RPM CUT OUT ONCE, SOUNDED LIKE IT RE-LIT, BUT THEN POPPING SOUNDS COULD BE HEARD, THEN SILENCE. I KNEW THEN HE WAS GOING TO TRY TO SET THE AIRPLANE DOWN, PROBABLY STRAIGHT AHEAD, BUT WAS NOT ABLE TO TELL FOR SURE. THEN I HEARD THE SOUND OF THE IMPACT AND RUSHED TO THE SCENE WITH MY FIRE EXTINGUISHER. THERE WAS NO POST-IMPACT FIRE.

Subscribed and sworn to before me, the undersigned authority, on this the 26th day of JANUARY, 20 21.

Before me, The undersigned authority in and for said County and State, on this the 26 day of January, 2021, personally appeared Devie Harrison, who, after being by me duly sworn, deposes and says:

The plane took off and seemed fine but right after take off the engine stopped. It then sputtered a bit but the engine did not start all the way again. The plane turned to the left & crashed nose down. Pilot was bleeding from ~~the~~ a cut on the top of his head & on his right hand, but was able to move & talk.

Subscribed and sworn to before me, the undersigned authority, on this the 26th day of JANUARY, 2021.
