

MEMORANDUM FOR RECORD

Joshua Lindberg
Air Safety Investigator
Central Region

Date: 4/1/2021
NTSB Accident Number: CEN21LA121

Medical and Pathological Information:

An autopsy of the flight instructor was performed by the Calcasieu Parish Coroner's Office, Lake Charles, Louisiana. The cause of death was multiple injuries sustained in an airplane crash. The autopsy was limited to an external examination only. A cursory internal examination of the organs was performed and did not identify any natural disease. The severity of damage limited any description of the majority of the head and brain. No toxicology testing was performed by the pathologist and there were no available specimens that could be submitted for toxicology testing to the FAA.

MEMORANDUM FOR RECORD

Joshua Lindberg
Air Safety Investigator
Central Region

Date: 4/1/2021
NTSB Accident Number: CEN21LA121

Medical and Pathological Information:

An autopsy of the pilot under instruction was performed by the Calcasieu Parish Coroner's Office, Lake Charles, Louisiana. The cause of death was multiple injuries sustained in an airplane crash. The brain was not available for examination, due to the severity of injuries. An internal examination was carried out; no significant natural disease was identified.
