

RECORD OF CONVERSATION

Aaron M. Sauer
Aviation Accident Investigator
Central Region

Date: 08/5/2021
Person Contacted: FAA Baton Rouge – Mr. John Shamblin
RE: CEN21LA357

Narrative:

During a telephone conversation, Inspector Shamblin, who responded to the accident site, stated the airplane's fuel system was intact, and the wing fuel tanks did not appear to contain any fuel. No evidence of fuel was found at the accident site. The airplane sustained substantial damage to the fuselage and both wings. He reported the airplane operator also did not have a record keeping system of fuel distribution at the refueling location.
