

RECORD OF CONVERSATION

Timothy N. Sorensen
Aviation Accident Investigator
Central Region

Date: July 18, 2022
Person Contacted: Ruthie Murphy, Operations Mgr
NTSB Accident Number: CEN22FA299 – Mt. Pleasant, Texas

Narrative:

Ms. Murphy is the Operations Manager at the Memorial Field Airport in Hot Springs, Arkansas.

Ms. Murphy stated that the accident airplane main fuel tanks were topped off with 20.1 gallons of 100LL at 1833 cdt on July 3rd. The wing tip fuel tanks were both full at the time. Ramp personnel noted nothing unusual with the disposition of the pilot or passengers. Nothing seemed out of the ordinary.
