Subject: Gross Weight Calculation for CEN22FA436

The gross weight calculation was performed using the standard aircraft empty weight as listed in the aircraft Owner's Handbook, standard front seat occupant weights of 170 pounds each, and 43 gallons of fuel as reported by the flight instructor.

Standard Empty Weight	1230 lbs.
Left front occupant	170 lbs.
Right front occupant	170 lbs.
Fuel 43 gallons at 6 lbs./gallon	258 lbs.
Approximate takeoff weight	1828 lbs.
Published maximum gross weight	2150 lbs.
