

Mitchell Gallo
Senior Aerospace Engineer
Aviation Safety - Central Region

Date: July 5, 2023

Subject: CEN22LA071, Memorandum of Conversation

Contact: Sean Markle, Witness, [REDACTED]

During a telephone conversation, Sean Markle was asked what the position of the fuel selector was when he arrived at N421RT after the accident and if he changed its position. Sean Markle said the cockpit fuel selector was in right fuel tank position and he turned the fuel selector to the off position.
