

Aaron Sauer  
Sr. Air Safety Investigator  
Office of Aviation Safety - Central Region

**Date:** 08/23/2022

**Subject:** CEN22LA130

**Contact:** Airplane Operator; Nxt Jet, Inc - Mr. Rogers

According to Mr. Rogers, the company has informed its flight crews to no longer consider instantaneous wind reports into their flight operations decision-making processes. Additional safety actions may result pending the investigation.
