

The National Transportation Safety Board

Office of Aviation Safety
Central Region
Memorandum for the Record
Summary of Information
Provided by the Pilot's
Spouse.
CEN22LA164
Kerrville, Texas
March 31, 2022

-
- The pilot's spouse stated that the pilot did not recover from his medical condition at the time of the accident.
 - After emergency responders transported the incapacitated pilot to the hospital, the pilot was pronounced deceased at the hospital. He was then transported to a local funeral home.
 - The pilot's spouse gave access to the airplane's logbooks and the pilot's flight logbook for review. No anomalies were found in any of the logbooks.
