Description of Damage to Aircraft and Other Property *(Use additional sheet if necessary)*

the damage to property was a soccer goal post porta john and light pole
damage to the aircraft is still fully unknown but substantial to the propellor engine firewall forward both wings and at least part of the
airframe.

NARRATIVE HISTORY OF FLIGHT *(Please type or print in ink)*

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and and location, services obtained, and intended destination. Provide as much detail as possible.

while flying level at 1800 ft we all heard a very loud pop in the engine area ,immediately we had smoke fill the cockpit. i noticed a soccer field just to my left and instantly turned toward it
I made a decision to be commitrd to landing in that field. i made pitch adjustments to assure enough distance to the high tension power lines without stalling.after landing succesfully i struck a soccer goal with my right wing.the goal post pulled us violently to the right and pulled us in the direction of a ports john and light pole.after striking the light pole we came to a stop.we exited the plane and called 911
