NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

On 7-30-22 in Indiana, IA during the National Balloon Classic, I launched for a pre-down hot air Balloon flight. During the flight the aircraft made contact with powerlines. The contact created an on-board fire. After the fire was extinguished, I then regained control of the aircraft. I then flew a controlled descent and landed in a grass field which first responders could quickly give aid to the injured people on-board the aircraft.
