Thanks Dujuan...

As far as timeline, the case is ready to go (been through AS-70 review) and just need the AS-60 “blessing” for release.

Appreciate it!

Aaron

Good Morning Dajuan,

In adherence to the SOPs related to cases involving spatial D, could AS-60 please provide a review and approval of the following report – CEN23FA031? I understand we need to add the concurrence in the OUO side of the docket.
