

Laura Abraham
Air Safety Investigator
Central Region

Date: September 9, 2024

Subject: CEN23FA173 - Email Correspondence Regarding ADS-B Data

Contact: Anne Torgerson-Federal Aviation Administration

Ms. Torgerson retrieved ADS-B data that revealed that between the time the airplane was signed off as airworthy in January 2023 to the last recorded flight on, April 28, 2023, the airplane had accumulated about 6 hours of flight time at the time of the accident. The accident flight on May 6, 2023, was not available for ADS-B data retrieval.
