LaQuita Lindsey - Weatherford, TX
[REDACTED]

I have knowledge about the
dock sometimes being forgotten
for the collector switch.

Also the chain was used for
the purpose of pulling
the helicopter in & out &
was always removed before flight
Same as battery charger
I talked to him Saturday 5/13
I tried several times Sunday 5/14
to call & he did not return calls
called Monday morning 5/15 & still
no return calls & he always calls
me back

5/13
I spoke to my dad Saturday
afternoon about 3:00 pm. ~~at~~

5/14 Sunday + called around 11:30
again 2x later in the afternoon
+ he not return the calls which
was very unusual.

5/15 Monday tried to call around 9:30 am
+ again about 11:30 no return call
from him. I then called neighbor
to check on him. Neighbor
called back + ~~said~~ said the helicopter
was crashed in the yard + he was
winside + not alive

own

After arriving at his home
Monday 5/15 - I noticed
he had been grocery shopping
as some of them were still on
the cabinet.

(all power case)

Stanley Lindsey - Cleburne, TX
Ph# [REDACTED]

9:15 & 10:30 am

I tried to call ~~10:30~~ both
cell phone & land line Monday 5/15
NO answer either time.

I did talk to him Friday 12:30
& Saturday @ 12:30

I have seen the chain used on
the winch to pull helicopter
in & out - Chain was only
removed when helicopter was flown
same with the battery charger
which was always attached.
