

Mitchell Gallo
Senior Aerospace Engineer
Aviation Safety - Central Region

Date: July 9, 2023

Subject: CEN23FA288, Record of Conversation

Contact: Kym Taylor, Witness, Cell: [REDACTED]

During a telephone conversation, Kym Taylor stated that she was asleep and was woken by a helicopter sound. The sound "immediately stopped" when there was a "bump" that "shook" the house, which she thought was thunder. She said the helicopter sound was a "whirly sound." She said that her daughter looked at a phone and the time of the bump/shake was about 0023 central daylight time on January 7, 2023. Kym Taylor said that she lives at [REDACTED] Kym Taylor stated that she did not think there was rain at the time, because she did not hear rain hitting her house porch. Kym Taylor said she did not hear wind at the time of the bump/shake.
