Class

[illegible]

A close-up image of a white fabric with a black grid pattern, likely a medical or scientific chart. The grid consists of small squares, and there are several vertical lines running down the page, dividing it into columns. The fabric appears slightly wrinkled.

[illegible]

						GRADING							
						1 = Excellent							
						2 = Above Average							
						3 = Average							
						4 = Below Average							
						5 = Below Acceptable Standards							
						MANEUVERS							
						Level Flight							
						Constant Airspeed Climbs							
						Turns to Headings							
						Recovery from Unusual Flight Attitudes							
						Radio Comm., Nav Systems/Facilities and Radar Services							
						NIGHT OPERATIONS							
						Preparation and Equipment							
						Night Flight
