Subject: Clarification of 6120

Hello Lindsay,

Thank you for taking the time to speak with me today to clarify your report of a mechanical malfunction/failure on the 6120 you submitted dated May 29, 2023, regarding an accident that occurred on, May 18, 2023, in N6840F. You stated that the mechanical malfunction/failure was an issue with the radios, but the malfunction/failure did not cause the runway excursion and subsequent substantial damage to the left and right wing. Is that correct?

Thank you,

Laura Abraham
