Hello Laura,

Yes, we did go to the accident scene and we did inspect N1403R.

We did not find anything wrong mechanically with the aircraft that would have precluded normal operation.

I hope this helps.

Regards,

Danny W. Zuccari
Aviation Safety Inspector
South Florida FSDO-19

Subject: Regarding N1403R

Hello Mr. Zuccari,

I am writing to confirm that you inspected N1403R after the accident, and you found nothing mechanically wrong with the airplane that would have precluded normal operation.

Thank you,

Laura Abraham
Air Safety Investigator

National Transportation Safety Board
