As an accredited representative for the NTSB's investigation into the Astra N39TT accident, the attached draft final report is being provided to you for review and comment in accordance with Annex 13. The draft is to be considered confidential and shall not be disseminated beyond those individuals necessary within the AIAI and IAI.

Please combine any comments from AIAI and IAI into one submission. The NTSB allows 30 days for review and comment, so please provide any comments no later than February 23, 2025, or sooner. If you anticipate the need for an extension, please let me know as soon as possible to see if this can be accommodated. Should you have no comments to the report, please advise as "no comment."

Best Regards,

Aaron Sauer
Sr. Air Safety Investigator
NTSB
