

TO IT MAY CONCERN

I WAS FILLING ATRACTOR WITH FUEL
SCOTT AVIATION FLEW OVER ASSUMING
HE WAS SETTING AN A & B LINE.
HE PROCEEDED TO FLY OVER ME
AND MY HIRED HAND, HE WAVED
HIS WINGS AT US AS HE ALWAYS
DOES. I THEN WATCHED HIM MAKE
HIS 1ST PASS OVER THE NEIGHBORS
SUGAR BEET FIELD WATCHED HIM
PULL UP TURN AND DIVE BACK
DOWN FOR HIS SECOND PASS. I KNOW
HIS RIGHT WING HIT SOME SET OF 3
TRANSFORMERS AFTER THE FACT BUT ALL
I SAW WAS THE PLANE PULL UP
ASSUMING FLY OVER 2 LARGE
COTTONWOOD TREE'S. THATS WHEN I
SAW THE PLANE GO UP AND MAKE
A HARD RIGHT TURN. IT WAS SO FAST
ALL I REMEMBER IS THERE WAS NO

ENGINE RUNNING DEATHLY QUIET
AND ALOUD EXPLOSION WITH CORN
DERIS, PLUME OF WHITE SMOKE,
I IMMEDIATELY CALLED 911 AT 10:14
MY HIREHAND WENT INTO FIELD TO
LOCATE THE PILOT CAME OUT AND
SAID HE COULD NOT SEE ANYONE.
THEN I BECAME SUSPICIOUS OF THE
CHEMICAL ON BOARD THE PLANE INSISTED
MY HIREHAND AND MY SON GO TAKE
A SHOWER. ONCE ALL EMS WAS
DONE MY SON USED OUR LOADER
TO LIFT PLANE UP TO RECOVER
KYLE'S BODY. ONCE EVERYONE CLEARED
SCENE WAS CLOSED ALL GATES TO
FIELD AND ASSISTED MORGAN COUNTY
SHERIFF TO KEEP SCENE SAFE AND
TRAFFIC FREE.
