NARRATIVE HISTORY OF FLIGHT (Please type or print in ink)

Describe what occurred in chronological order, including circumstances leading to and nature of accident/incident. Describe terrain and include wreckage distribution sketch if pertinent. Attach extra sheets if needed. State departure time and location, services obtained, and intended destination. Provide as much detail as possible.

I announce that I was crossing mid field then left downwind for run way 36. I had been looking for other aircraft. Looked at my speed and it said 37 miles an hour. I tried to adjust but it was too late and by that time I was too slow and low. I must have hit the throttle. Wind was blowing 12 to 15 miles an hour right down right down 36. I flew from i63 to i63 that took 45 min then took off i63 flew around for 30 to 40 minutes and back to i63 .I would still had a half tank of fuel.
