

Laura Abraham
Air Safety Investigator
Central Region

Date: January 3, 2024

Subject: CEN24LA066, N113DT, Flight Control and Engine Examination

Contact: Thomas Farago, Aviation Safety Inspector, Little Rock, Arkansas

Inspector Farago inspected N113DT after the accident and found that the engine turned over and ran smoothly, the cylinders had good compression, the engine had oil, and there was fuel in the tanks. Inspector Farago also reported that all flight controls had continuity.
