

Brian Rutt
Air Safety Investigator
AS-CEN

Date: July 18, 2024

Subject: CEN24LA236

Contact: Tyler Everett, CFI Texas Skies Flight School

In an interview with Mr. Everett, he stated that on each of his four flights in N87AQ he experienced some type of anomaly regarding the fuel flow. He stated that the flight instructors at the school were aware of the fuel flow issue with N87AQ.
