Laura,

I know we discussed this over the phone on Monday but thought I would put it in an email also. We did perform a flight control continuity check and did not find any anomalies.

Best Regards,

Chris Zalusky

Hello Chris and Matt,

Thank you for taking the time to speak with me this morning. I understand that you examined N29411 on, September 6, 2024, and found nothing mechanically wrong with the airplane. Is that correct?

Thank you,

Laura Abraham
Air Safety Investigator
