

Pilot Records

FAR 137 Knowledge and Skill Demonstration

Name: Stanley Hebert

Certificate #: [REDACTED]

Prior to conducting operations for Certificate Holder - FTYG033E, the above named pilot must demonstrate knowledge and skill regarding aircraft agricultural operations as prescribed in FAR 137.19(e).

Test of knowledge:

Successful Demonstration

- | | |
|--|----------|
| • Steps to be taken before starting operations, including survey of the work area. | <u>S</u> |
| • Safe handling of economic poisons and the proper disposal of used containers for those poisons. | <u>S</u> |
| • The general effects of economic poisons and agricultural chemicals on plants, animals, and persons, with emphasis on those normally used in the areas of intended operations; and the precautions to be observed in using poisons and chemicals. | <u>S</u> |
| • Primary symptoms of poisoning of persons from economic poisons, the appropriate emergency measures to be taken, and the location of poison control centers. | <u>S</u> |
| • Performance capabilities and operating limitations of the aircraft to be used. | <u>S</u> |
| • Safe flight and application procedures. | <u>S</u> |

Demonstration of skill at aircraft's maximum certificated take-off weight, or the maximum weight established for the special purpose load, whichever is greater:

- | | |
|--|----------|
| • Approaches to the work area. | <u>S</u> |
| • Flare-outs. | <u>S</u> |
| • Swath runs. | <u>S</u> |
| • Pullups and turnarounds. | <u>S</u> |
| • Rapid deceleration (in helicopters only). | <u>S</u> |
| • Short-field and soft-field takeoffs (airplanes and gyroplanes only). | <u>S</u> |

I certify the above named pilot has completed successful demonstration of the above listed items on this date.
