Subject: Phone Conversation Summary
Contact: Michael Ribordy

On February 24, 2025, at about 0945, I spoke on the phone with the accident pilot. The pilot stated that he had been seriously injured and had no recollection of the accident. I asked him to fill out and return the NTSB Form 6120.1 that I had emailed him and told him that I would resend the form also, which I did.
