

Laura Abraham
Air Safety Investigator
Central Region

Date: July 16, 2025

Subject: CEN25LA150

Contact: Christopher Huber - Pilot

Mr. Huber stated that on April 6, 2025, he was receiving instruction in his tailwheel airplane from Mr. Randy Prellwitz. Mr. Huber landed the airplane, and the airplane veered off the runway due to loss of control and into a ditch. Mr. Huber stated that there were no mechanical failures or malfunctions with the airplane that would have precluded normal operation.
