Good day,

I am writing to you from the Canadian Coast Guards (CCG) Atlantic Regional Operations Center regarding the occurrence on April 29th 2025 where an aircraft was reported downed in the Atlantic Ocean East of Newfoundland Canada (occurrence File A25F0173).

Two of our vessels responded to the initial report and assisted in search efforts. During the search, the CCGS Cygnus recovered a backpack, and the CCGS Teleost recovered one of the pontoons from the aircraft.

Upon arrival in St Johns, NL the Cygnus handed the Backpack over to the Royal Canadian Mounted Police (RCMP) and the Teleost had the pontoon transported to a CCG Warehouse on Robinhood Bay road, St Johns NL.

The Pontoon is still at our warehouse, and we are awaiting further direction from TSB or NTSB with regard to next steps. You can use us as a point of contact for accessing the Pontoon.

Thanks!

Kyle Downey (He/Him)

Acting Deputy Superintendent

Regional Operations Center Atlantic
