Hi Mr Gallo,

I gave the physical copy of the records that my CFI provided to me after the accident to Mr Nickolaus when we met at my house. It was my understanding I was cleared to fly everywhere he and I had flown together and in my plane but the documents I received don't support that so clearly I was incorrect.

Hello Amber,

I do not have a record of your most recent student pilot endorsements to fly N3181V and to fly into and out of the accident airstrip. Please provide those records.

Thank you,

Mitchell Gallo
