

Mitchell Gallo
Senior Air Safety Investigator
Aviation Safety - Central Region

Date: September 24, 2025

Subject: CEN25LA276, Record of Conversation

Contact: Wren Johannaber, Pilot of N1534D

The pilot of the agricultural flight stated that he did not remember many of the details leading to the accident. He stated that the accident flight occurred at midday; and therefore, he had flown other flights earlier. He stated that he remembered the airplane struck power lines estimated to be about 50 ft in height but did not recall any airplane performance parameters.
