Fly The Backcountry Right Here In Arkansas!

All pilots and aircraft are welcome at Byrd's. Located on the wild and scenic [Mulberry River](#) in Arkansas, Byrd's Adventure Center features two grass runways on 800 private acres surrounded by the [Ozark National Forest](#). Our primary 1900' airstrip is suitable for many single-engine airplanes, while our secondary 1000' strip is open to ultralight aircraft such as powered parachutes and trikes. Pilots are encouraged to monitor channel 122.9.

Restaurant dining is available from March-December at our new [Riverfront Restaurant](#) (open weekly Friday-Sunday). Bring gear for non-flying activities along the Mulberry River including fishing, [canoeing](#), [trail hikes](#), and [campfire cookouts](#). Snacks, drinks, ice and handmade sandwiches are available year-round at Byrd's on-site store. Aviation fuel is available at the Ozark (7M5) and Clarksville (H35) municipal airports. Call us at 479-667-4066 or 479-667-4199.

Flying at Byrd's Adventure Center is free! Primitive underwing camping is \$12 per person per night with access to our large heated shower house. [Cabins](#) and [RV camping](#) are available on-site (call 479-667-4066 for reservations). In addition to wingtip camping and fishing, Byrd's hosts fly-ins every spring and fall. Please [check our calendar](#) for upcoming fly-ins and events.
