

Jason Aguilera
Senior Aviation Safety Investigator
Aviation Safety - Central Region

Date: 26 August 2025

Subject: CEN25LA332

Contact: David Wellen, Manager, USAF Academy Flight Training Center & Aero Club

Following the accident, the manager of the flight training center stated that he implemented a complete prohibition on the previous practice of hanging wheel chocks on the exterior of any of the airplanes. Once the pilot removes the wheel chocks, they are to stow them inside the cabin or baggage compartment.
