

Laura Abraham
Air Safety Investigator
Central Region

Date: September 25, 2025
Subject: CEN25LA391
Contact: Mr. Ahmed Albes - owner of N2500Q

On September 20, 2025, Mr. Albes drained the fuel out of N2500Q following the accident. He was able to drain about 12 ounces of fuel out of the left tank (placing it in a 17 ounce water bottle), and the right tank was empty.
