

# Borescope Inspection Locations

| Borescope Port | Engine Section                 | Visible Components                                                          |
|----------------|--------------------------------|-----------------------------------------------------------------------------|
| Booster        | Booster                        | Stage 4 Trailing Edge/Stage 5 Leading Edge                                  |
| A              | High Pressure Compressor (HPC) | Inlet Guide Vane/Stage 1 Leading Edge                                       |
| B              | HPC                            | Stage 1 Trailing Edge/Stage 2 Leading Edge                                  |
| C              | HPC                            | Stage 2 Trailing Edge/Stage 3 Leading Edge                                  |
| D              | HPC                            | Stage 3 Trailing Edge/Stage 4 Leading Edge                                  |
| E              | HPC                            | Stage 4 Trailing Edge/Stage 5 Leading Edge                                  |
| F              | HPC                            | Stage 5 Trailing Edge/Stage 6 Leading Edge                                  |
| G              | HPC                            | Stage 6 Trailing Edge/Stage 7 Leading Edge                                  |
| H              | HPC                            | Stage 7 Trailing Edge/Stage 8 Leading Edge                                  |
| I              | HPC                            | Stage 8 Trailing Edge/Stage 9 Leading Edge                                  |
| J              | Combustor                      | Combustor and HPT Stage 1 Nozzle Leading Edge                               |
| K              | Combustor                      | Combustor and HPT Stage 1 Nozzle Leading Edge                               |
| L              | Combustor                      | Combustor and HPT Stage 1 Nozzle Leading Edge                               |
| M              | Combustor                      | Combustor and HPT Stage 1 Nozzle Leading Edge                               |
| N              | High Pressure Turbine (HPT)    | HPT Stage 1 Nozzle/HPT Stage 1 Blade Leading Edge                           |
| O              | HPT                            | HPT Stage 2 Nozzle/HPT Stage 1 Trailing Edge/HPT Stage 2 Blade Leading Edge |
| P              | Low Pressure Turbine (LPT)     | LPT Stage 1 Blade/LPT Stage 2 Nozzle/LPT Stage 2 Blade                      |
| Q              | LPT                            | LPT Stage 3 Blade/LPT Stage 4 Nozzle/LPT Stage 4 Blade                      |
