

MEMORANDUM FOR RECORD

Allison Violette
Air Safety Investigative Assistant
Eastern Region

Date: June 28, 2011
Person Contacted: Inspector Rich Scheibel, North Florida FSDO
NTSB Accident Number: ERA11CA363

Narrative:

During a telephone conversation, Mr. Scheibel stated the following:

- The accident flight was an instructional flight, with a CFI and student on board.
- Witnesses reported the airplane being approximately 45 degrees off the runway centerline during the go-around on runway 29.
- Post accident inspection revealed no anomalies, flight control continuity was established.
- The airplane was removed from the side of the runway and stored in a hangar at the airport.
