00:04:56 Unknown destin unicom destin unicom king air five tango mike

00:05:05 FBO five tango mike calling destin unicom go ahead

00:05:07 Unknown yea you guys uh im here the weather has gone down there you guys have anybody come in in the last little while

00:05:14 FBO that's a negative sir we haven't had anybody come in since about 1630

00:05:19 Unknown alright and uh (unintelligible) its noticeably foggy on the field there

00:05:25 FBO that's affirmative sir visibility is a quarter of a mile

00:05:27 Unknown alright thanks for your help five tango mike

00:18:01 N548C destin traffic uh mirage five four eight charlie is inbound for ilope on rnav one four

00:19:41 N548C destin traffic mirage five four eight charlie is on a three and a half mile final on the uh rnav one four

00:28:11 FBO five four eight charlie destin

00:28:32 FBO five four eight charlie destin

00:28:47 FBO five four eight charlie destin

00:37:17 Unknown and five four eight charlie five four eight charlie this is hanker thirteen twenty seven on the ground at destin how do you read

01:16:57 Unknown destin uh unicom hanker thirteen twenty seven

01:17:00 FBO go ahead thirteen twenty seven

01:17:03 Unknown yeah they're waiting for the airport manager to give them a call and tell them that the runway and taxiways are clear so they can release the assessment they're waiting on that there is no wreckage or anything on the runway or taxiways so if they could call and tell them that uh I thought you and I could tell them that they were clear but they but somebody up there official has to call them

01:17:24	FBO	okay I'll tell them to give them a call
01:17:26	Unknown	okay uh if uh yea ill be sittin here on the radio as soon as they give them a call they'll release it
01:17:33	FBO	okay (unintelligible)
01:17:35	Unknown	thanks john
01:20:01	Unknown	destin unicom hanker thirteen twenty seven hows it going
01:20:08	FBO	its alright
01:20:12	Unknown	how's the progress going with talking to eglin
01:20:16	FBO	i'm not sure i haven't heard anything from them
