On 09-17-11, Sgt. David Millett, Tr. Christopher Hashey and I responded to Eagle Stream Drive in Greenville to assist Greenville P.D. with a fatal plane crash. (Case # AB2665G0) We were informed that the plane crashed shortly after take off around 0800 hours this morning. The crash site was only a couple hundred yards from the roadway. The debris field was also very localized.

The deceased pilot was identified as DAVID E FINNEGAN [REDACTED] from Massachusetts. The plane was identified as a Cessna 172, tail number N9932. I took photographs of the scene to include the pilot. We received word that the FAA was in route to the scene and would be on site at approximately 1400 hours. We were also given permission to remove the body from the plane. FINNEGAN was removed and placed in a body bag. He was then loaded onto Greenville P.D.'s all terrain vehicle and brought out to the roadway. The Warden Service, along with Greenville P.D., agreed to provide scene security until the FAA's arrival. We then cleared the scene.
