

MEMORANDUM OF RECORD

Heidi Moats
Investigative Assistant
Eastern Region Aviation

September 27, 2012

Subject: ERA12CA546
Name: Ralph Sinclair – Student Pilot/ Mechanic

In a telephone conversation, Mr. Sinclair stated the following:

- There was nothing wrong with the airplane prior to the accident.
- He and the instructor flew the airplane for 30-40 minutes before the accident happened and everything was operating normally.
- Mr. Sinclair is the mechanic that works on the airplane.
- He is the mechanic on the airplane and signed off the annual inspection on August 5, 2012.
- He did not think anything was wrong with the fuel selector.
