

MEMORANDUM OF RECORD

Stephen Stein
Investigative Assistant
Eastern Region Aviation

Date: December 4, 2012, 1259 EST
NTSB Accident Number: ERA13CA067
Person Interviewed: State Trooper Philip Koster

Narrative:

Mr. Koster, the state trooper on the accident scene, was contacted by phone on December 4, 2012, 1259 EST at [REDACTED] Below is a record of conversation:

- Mr. Koster stated that the pilot of the accident airplane has a blacktop driveway and a field runway and that the pilot reported he was "on his way to the runway for a local flight."
- In a phone call a few hours later, the state trooper provided direct language from the pilot's statement. The pilot was asked "what type of flight was engaged at the time of the accident" and the pilot responded, "a local flight".
- The pilot also told the trooper that he was taxiing on the runway when a gust of wind blew him down a hill.
