dood,

put this down as a safety result. Call it "On-the-spot" training of firefighters.

Then, we have to do thank-you letters and certificates for them and the cops. Heidi has the templates.

I'll write the letters.

Dear Mr. Rayner,

I'm a little slow getting this to you it's been busy in the City of Winston. Per your request here are the fire company's and names of the personnel that assisted at the crash site in Winston Salem.

Engine 8 - Engineer Kevin Shore, Firefighter Brian Lowe, Firefighter Cody Rierson Truck 18 - Captain Rick Jarvis, Engineer Jeff White, Firefighter Daryl Davidson Fire Chief is Antony Farmer, [REDACTED]

Thank you and all the investigators there for answering all of our many questions we had, it was very educational for us. We don't have that type of incident very often so it's a learning experience for us.

Captain Rick Jarvis
Truck 18, Winston Salem fire Department
