

Memorandum For Record

Todd Gunther
Air Safety Investigator
Eastern Region

Date: March 25, 2013
Subject: FAA Examination of N9041U
NTSB Accident Number: ERA13LA118

On this date, at the request of the NTSB, Inspector Linda M. Nevin of the FAA Tampa Flight Standards District Office performed a Post accident examination of N9041U which was involved in the accident in Okeechobee, Florida on January 26, 2013.

During the examination no evidence of any preimpact mechanical malfunction or failure of the helicopter, the engine, or the flight control system was discovered which would have precluded normal operation.

Maintenance records were also obtained from the owner by Inspector Nevin, and were forwarded to the FAA Orlando Flight Standards District Office and the NTSB for examination.
